**MelaPower® 6x Laundry Detergent**  
**Replaces: 2x Ultra Tide®, Cheer®, and All®\***

You expect your laundry detergent to leave your clothes, towels, and linens clean, bright and smelling fresh after every wash. That's more than some detergents can handle. But that's no problem for patented, ultra-concentrated *MelaPower 6x*. With 2 powerful surfactants lifting out dirt and stains and our proprietary *Rinse Guard™* formula preventing those soils from resettling during the rinse, *MelaPower* outcleans and outbrightens the major brands. And with a non-alkaline formula that's free of chlorine bleach, it's gentler on your clothes. Plus, with its six-times concentrated formula, just 1/2 fl. oz. cleans an entire load—saving water, saving you money, and reducing plastic waste.

- Melaleuca-exclusive, patented formula
- Six-times concentrated to save water, plastic, and money
- Non-alkaline and free of chlorine bleach and other caustic chemicals
- Rinse Guard formula prevents dirt from resettling on clothes

**COMPETITIVE COMPARISON**

These swatches are official samples from a controlled laboratory tergotometer test. Each started off clean but was washed together with another cloth soaked in motor oil. Though transfer of soils is common in most detergents, *MelaPower* gets top grades for ensuring bright clothes, even in the dirtiest wash.
